ABOUT ME

   Front-end web developer with a solid foundation in React, Next.js, TypeScript, and Tailwind CSS, gained through three months of hands-on experience as an intern at Sols. Leveraging a bachelor's degree in Design and Technology, I bring a keen eye for aesthetics and a deep understanding of design principles to my development work.

   With a background as a designer in the furniture manufacturing industry, I excel in problem-solving, attention to detail, and project management.
